

*Attorney docket SUND 295***REMARKS**

The Examiner's Action mailed on March 3, 2006 has been received and its contents carefully considered. In this Amendment, Applicants have canceled rejected claim 1-17, thus rendering the §103 rejection moot, and have added dependent claims 20-34 to further protect the disclosed invention, all depending from independent claim 18 and therefore allowable.

Claims 18-34, now pending in the application, are allowable and the rejections are moot. Allowance of the application is requested.

Respectfully submitted,

Nick Bromer
